RE: SRI has moved its Pittsburgh Corporate Headquarters

Dear Clients:

As of June 9, 2008, please note, SRI has moved its corporate headquarters from:

105 Bradford Road
Suite 400
Wexford, PA 15090

To our new office:

300 NorthPointe Circle
Suite 304
Seven Fields, PA 16046

Although the move represents only a five mile change in location, it means a tremendous improvement in productivity and efficiency for SRI. As we have grown our markets and standards, SRI outgrew its old office space.

Our new office allows for our continued growth, and it is designed around SRI's business and workflow. The new office sits at the intersection of the PA Turnpike and I-79, putting it right at a major intersection of business in North America.

Our phone numbers, web, and e-mail addresses will all stay the same. We took every step to ensure there would not be any disruption in service during our move. If you have any questions, or we can help in any way, please do not hesitate to contact us.

Thank you.

Sincerely,

Christopher H. Lake
President
